PROFILE

I'm a dynamic Web Developer with more than 3 years of hands-on experience crafting innovative web applications and solutions. My expertise lies in seamlessly blending HTML, CSS, Bootstrap, JavaScript, and .NET to deliver exceptional user experiences. Passionate about creating engaging interfaces, I strive to push the boundaries of design and functionality to create impactful digital experiences.

Additionally, my proficiency in WordPress & Shopify allows me to deploy scalable and robust web applications, ensuring optimal performance and reliability.

WORK EXPERIENCE

Web Developer

Squareit Solutions

2022-2024

Worked as a .NET Developer

- As a .NET Developer with more than 3 year of experience, I have honed my skills in designing, developing, and maintaining web applications using Microsoft's .NET framework.
- I have also utilized ASP.NET for web development projects, crafting dynamic and interactive web applications that meet client requirements and industry standards.
- Developed backend functionalities with .NET and MySQL.
- I made the user interfaces better by using modern JavaScript, HTML5, CSS3, and Bootstrap resulting in a noticeable improvement.
- Leveraging these technologies, I've contributed to the frontend development of web applications, ensuring user-friendly interfaces and optimal user experiences.

Worked as a WordPress Developer

- In addition to my other skills, I've also accumulated 2 year of valuable experience specifically working with WordPress. During this time, I've actively engaged with
- WordPress development, delving into theme customization, plugin integration, and site optimization. This hands-on experience has deepened my understanding
- of the platform's capabilities and empowered me to deliver tailored solutions that align with client objectives and user expectations.

Worked as a Shopify Developer

- On top of my skill set, I've garnered over 2 year of dedicated experience in working with Shopify. During this period, I've delved deeply into the Shopify
- ecosystem, undertaking a variety of tasks. These include customizing themes to meet unique client needs, integrating various apps to enhance functionality, and optimizing e-commerce platforms for better performance and user experience. This hands-on experience has equipped me with a comprehensive understanding of Shopify's capabilities and how to leverage them effectively for diverse business requirements.

Worked as a Freelancer

2023-Present

- As a dedicated freelancer, I specialize in designing, developing, and maintaining
- high-quality web applications.
- With expertise in PHP, .NET, WordPress, Shopify, and MySQL, I deliver scalable
- and efficient solutions tailored to meet industry standards and client needs.
