ABOUT ME

I am a Dynamic Web Developer with over **3 years** of experience creating websites and web applications. I work with **HTML, CSS, Bootstrap, JavaScript, PHP, and .NET** to build user-friendly and responsive sites. I enjoy making designs that look good and work smoothly. I also have strong skills in **WordPress** and **Shopify**, which help me create reliable and scalable websites for different needs.

WORK EXPERIENCE

.NET DEVELOPER

Squareit Solutions (2022-2024)

As a .NET Developer with over **3 years** of experience in designing, developing, and maintaining web applications using the .NET framework and ASP.NET. I have worked on backend development with .NET and MySQL, as well as improved user interfaces using JavaScript, HTML5, CSS3, and Bootstrap to deliver dynamic, user-friendly, and high-performing web applications.

WORDPRESS DEVELOPER

I have **3 years** of experience in WordPress development, specializing in dynamic theme customization, plugin integration, and site optimization. This hands-on work has strengthened my expertise in creating tailored, user-focused solutions that meet client goals.

SHOPIFY DEVELOPER

I have over **3 years** of experience working with Shopify, focusing on theme customization, app integration, and e-commerce optimization. This hands-on work has given me a strong understanding of Shopify's capabilities and the ability to deliver high-performing, user-friendly online stores tailored to business needs.

WEB & WORDPRESS DEVELOPER

Top Rank Design (2025-Present)

Web and WordPress Developer at Top Rank Design – developed and customized dynamic websites, optimized performance, and delivered user-friendly designs tailored to client requirements.

WORKED AS A FREELANCER

(2023-Present)

I am a dedicated freelancer specializing in designing, developing, and maintaining web applications. With expertise in **PHP, .NET, WordPress, Shopify, and MySQL**, I create scalable and efficient solutions that meet both client needs and industry standards.
